Peace and Allah's mercy and [UI] be on you

In the name of Allah the Gracious the Merciful

We trusted in Allah

My dear brother indeed thanks be to Allah be He exalted who gathered us in this difficult and impossible way for it was not a coincidence but facilitated by Him [UI] He is the Mover of the beasts the Strong Knower of the unseen and the seen [UI]

!!

**Now then**

My brothers indeed my way is your way for your blood is not more precious than my blood and your souls are not cheap ,by Allah let my end be with you provided that it is in this perishing world for all of us want to raise the word of Allah it is Allah is the greatest  
And restoring the right and honor of our Prophet Muhammad Allah's blessing and peace be upon Him is our duty .

For all of us will meet with the intercessor so let us be hands in one mind and it is what scares the enemy and the unbelievers because all of us are on the practice of the Beloved it is something they cannot understand because their food is the pig and their water is the wine and their women are the adulteresses

So Allah forbid if we were from them we thank Him with many thanks the number [UI]

So as He said in His Book

{"And (as for) those who believed and fled and struggled hard in Allah's way, and those who gave shelter and helped, these are the believers truly; they shall have forgiveness and honorable provision."} Surah al-Anfal: 74

("And hold fast by the covenant of Allah all together and be not disunited ...") Surah Al-i Imran:

103

{"The holders back from among the believers, not having any injury, and those who strive hard in Allah's way with their property and their persons are not equal; Allah has made the strivers with their property and their persons to excel the holders back a (high) degree, and to each (class)

Allah has promised good; and Allah shall grant to the strivers above the holders back a mighty reward:"} Surah al-Nisa': 95

Allah Almighty has spoken the truth

My way as I said in the beginning is truly with you to the paradise on the path of the righteous ones so my brothers how dear to me that I perform jihad with you in the same rank in the same field with the same enemy

For I indeed chose to be a Mujahid in my soul and my blood and my spirit and my body more precious to me than this world and its money and its women and its amusement

So by Allah

I will surely support Usama

And Aba Mus'ab al-Zarqawi

And al-Rantisi

And all who performed jihad in this world

And I will surely expel the Jews from the land of the holy Jerusalem and the land of the two tributaries and Iraq and we will surely destroy all the Romans and all [UI] the religion

and I will surely kill and I cut off the heads of the apostate agents in the Levant and land of the Muslims

And do you know what is my reward

It is the reward from the King Allah be He exalted woe unto him who does not run for it his mother cursed him the day she conceived him in her womb

So [UI] let us trust in Allah be He exalted

And the answer is here

Indeed my father will be here for meeting me on 26 this month and he will depart after 5 days from this date

There is not currently any mail I use other than the Jordan pilot because I already stayed away from the world of the Internet when I started the communication with you my brother

So if you be gracious and make another e-mail for [UI] we can [UI] with an easy password so I do not forget it

What type of computer do you use in communicating with us? And are you the only user? And is it your property? If it was no then who owns it and do you trust that person is he a Muslim who would never betray another brother?

I use a personal computer from a friend there at the work he is not an expert in the computer and when [UI] with intelligence I do not leave any type of the traces on it that can help or guide the enemy to my location and but I will not confirm to you the safety because I do not know the unseen and the communication is without wire wireless

In our preparation for the meeting face to face and when the time for the meeting between us draws near it may be necessary for my assisting brother to contact you for the final preparation or if he could not recognize your person at the appointed location. Then, do you have a mobile telephone and is it your property? What is your number?

The telephone that [UI] is minutes pre-paid telephone not registered in my name you buy it from the markets

My number

2149496902

As we think about a place for the meeting, I like for you to inform me about the point of your location and the route that should be taken from the Dallas airport. Do not give me your exact address because of the caution and the protection from the agents of the infidels, may Allah curse them. Mention to me only the area and the road that is taken from the airport so that we are at a distance not too long from you

For meeting me you can take the express way 35s South to the area of

*desoto*

*or*

*waxahachie*

Allah willing I will meet you in one of these cities near the airport 20 30 minutes  
You will try to contact me on the telephone [UI] or one of the methods which you would like that I follow

And but we must agree on the day of the meeting before you arrive so that I can take the holiday from my work and the preparation for meeting you I ask Allah that everything be facilitated and if you wanted and were so kind to go to the location of my residence it will be safe Allah willing until the time of your departure or what do you prefer waiting for your reply Allah willing

Peace and Allah's mercy and blessings be on you

Your brother Aba al-Ayyubi
